

Material Handler

A growing injection molding company is in search of a full-time Material Handler for 1st shift to join our team. The right candidate must demonstrate an eagerness to grow with a world class organization.

We are seeking experienced Material Handler for a plastic injection molding manufacturer. Job entails safely operating a propane hi-lo in an uncontrolled climate. The individual should possess good basic math skills, be able to lift up to 50 lbs, and basic computer skills. Good communication skills are needed to interact with team members in multiple production areas. We are looking for someone with a clean past work record, reliable transportation, and resourceful in resolving problems. Candidates must have open availability during the week and weekends, and welcome overtime.

REQUIRED EXPERIENCE:

- Sit-down Hi-Lo experience required
- Moving large racks/bins with empty or full of product safely
- Familiar with loading "hoppers"
- Paint/Chemicals Mixes
- Lean Manufacturing
- - 5S Fast paced
- Multi-tasked
- Self-directed/motivated
- Works well with others with a great attitude

Professional Requirements:

- Must have HS diploma/GED.
